Hi Teresita,

Thanks for calling me back. I'm in meetings this week so I won't be able to call you back. The issue was sorting out what support Brenda would be asked to provide for the upcoming meetings in Cabo Rojo. Bonnie and Jose discussed this as well - I believe that the outcome was that while Wanda Ayala would act as CIC Brenda would provide some local assistance if necessary. I don't know what assistance Mel/Denise may require.

Mel, can you give Terri a call and let her know what help Denise might need.

Thanks
Angela
